**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an independent insurance agent operating in a mid-sized Northern California city. I have access to a great local ISP, Sonic, and I don't want to lose that access by having them regulated out of business. They provide quick, reliable service; and when there is a technical issue (which is rare), they are quick to respond with talented, efficient service representatives. I urge you to oppose any action that would make it more difficult for local ISP providers like Sonic, who provides my internet AND telephone service, to survive.

Thank you for your consideration.
